About Al Ghurair Investment:

Al Ghurair Investment is one of the largest diversified family business groups in the Middle East, with operations in six distinct industry sectors: Foods and Resources, Properties, Construction and Services, Energy, Mobility and Ventures. Established in 1960 as a trading business, Al Ghurair was one of the first pillars of industry and commerce in the emerging United Arab Emirates.

From modest beginnings, and with a proud history of innovation and entrepreneurship, the Al Ghurair family name has become synonymous with the heritage, evolution and vision of the prestigious country itself.

Headquartered in Deira, the business' diversified operations span more than 50 countries across the globe, employing approximately 28,000 people. Today, Al Ghurair Investment continues to build on its enduring 60+ year legacy, guided by its purpose: 'Enhancing Life', as it strives to facilitate meaningful and sustainable change across the communities within which it operates.
